EXPERIENCES

JavaScript and React Projects - MMSIT, Yangon

- Frontend Development: Built responsive web applications using HTML, CSS, and Tailwind CSS.
- JavaScript Projects: Developed interactive features and **functionalities** using JavaScript.
- React Projects: Created dynamic user interfaces with React, including components that fetch and display data from APIs.
- Next.js Projects: Developed a full-stack project using Next.js, leveraging **Drizzle ORM** and **Neon DB**.
